Britannia Home Builder

Building a fairer society **Britannia**

Game on: Wales is the host nation for The Ryder Cup tournament from 27th September to 3rd October!

The long summer days are numbered, although there may still be time to demonstrate your sporting prowess. We all know that sports equipment can be pretty expensive to replace if damaged or stolen. Luckily, our Home Builder personal possessions cover protects your sporting equipment when not in use, so whatever your sport of choice you don't need to worry about being left on the sidelines.

So, what is covered:

- Sporting equipment that is not in use is insured against theft or damage

What isn't covered:

- Pedal cycles held or used for business purposes and sports equipment whilst in use
- The first £50 of each claim

Subject to policy limits

Out of Bounds:

Ian McGill was feeling very unsportsmanlike towards the person who stole his pride and joy – the shiny set of golf clubs from the boot of his car. However, after reporting the theft to the police, a call to register his claim and paying his policy excess, Ian was soon out of the bunker and back on the green. *

At a stroke: Tips to help you look after your sports equipment

- When transporting valuable sporting equipment keep it locked in the boot or glove compartment of your vehicle
- Outside the home, make the use of any available lockers and don't leave your sports equipment unattended. At home, store your equipment in the house or in a well-secured shed or outbuilding rather than outdoors
- When parking your bike, invest in a couple of different strong bike locks and take any accessories or easily removed parts with you
- Mark any expensive sporting equipment with your postcode so if stolen there's more chance that your property can be recovered and returned
- Looking after your sports equipment by keeping it clean, well-maintained and storing it correctly can protect against damage and help ensure a long and happy life together

Many features and benefits are included with our Home Builder policy and we offer you different levels of cover. You can choose from Bronze, Silver or Gold to best suit your individual needs.

Limitations and exclusions apply. For more details please ask a member of staff or ask to see the policy booklet. Britannia's Home Builder is provided by Legal & General.
